Analysis

In 2011, the Westfield-Washington Township Advisory Plan Commission (the "Plan Commission") approved an amendment to the Grand Junction Economic Development Area (the "Grand Junction EDA") through Order 11-01. By doing such, the Plan Commission determined the resolution and redevelopment plan to conform to the Westfield-Washington Township Comprehensive Plan.

In order to stay consistent with the economic development plan identified for this economic development area, specifically the Grand Junction EDA, Res. 1-2013 proposes to remove parcels and portions of parcels

that have been purchased by the State to complete the US 31 Major Moves Project. The parcels and portions of parcels described in the Redevelopment Plan (identified as Exhibit A in Res. 1-2013) are owned by the State and as a result have no taxable assessed value. Removing these properties from the Grand Junction EDA prevents the City of Westfield and the Westfield Redevelopment Commission from experiencing erosion to tax increment generated by the Grand Junction EDA. The real property assessment deadline in the State of Indiana is March 1st, annually. In order to prevent the “erosion” of tax increment, Resolution 1-2013 must be confirmed by the Westfield Redevelopment Commission by March 1, 2013.

Staff Recommendation

Approve this Order as presented.
